

Leonard Coldwell Nmd Phd

Dear Champion,

I'm going to do something I've never done before and you will benefit greatly.

On May 25th, I'm going to do two complete seminars in one day.

That's right, two complete events in one day.

I'm doing an entire seminar on government tyranny and conspiracies. And I'm doing a brand new seminar where you will learn how to become a millionaire starting with no money, using my updated IBMS System for Money and Wealth.

And if that's not enough...

I'm going to have two special guests appear at the event. (More on them shortly.)

It is all happening on May 25th at my...

"Wealthy Warrior's Survival Training Camp"

Here's the game plan...

First, I'm going to update you on current events taking place all over the world. I'm also going to explain exactly what is going on and why.

You are going to get an exclusive insider's perspective of confidential information gathered from my friends in the FBI, CIA, military, and in the highest political arenas

I cannot list them all here, but I'm going to discuss topics like:

- The latest technologies being used by the government to spy on you
- How Obama plans to take away your right to own a gun
- The digital cash society and how it is going to be used to enslave you
- Why the Navy Seals involved in the Bin Laden murder hoax were killed
- Who is all set to invade America and when it is likely to happen
- The truth about FEMA camps (and who is already locked up in them)
- Why wars are starting all over the world and dictators are all being killed
- The New World Order's plans for total world domination
- Why oil prices rise so drastically and the government allows it
- How to easily get out of traffic tickets
- What to say to get a case thrown out of court
- What media superstars are members of the New World Order
- Why Obamacare was put into place and how it will affect your healthcare

And so much more!

I have to warn you about something. What I'm going to share will frighten the heck out of you. You will be wide-eyed. It's all good though. You do not want to turn your back on this information. Ignorance is NOT bliss when it comes to you and your family's livelihood. If you want to be the most up to date person in your social circle, and in your geographic area, then you need to know the information I'm going to reveal.

Heard this same thing in
GIN too!

You are also going to hear two special bonus presentations from two superstar achievers that implemented my IBMS® training.

BONUS #1: Rachele Brooke Smith presents "Making Dreams Come True"

Rachele Brooke Smith is a Hollywood mega-starlet. She's appeared in several movies including Bring it On, Pop Star and in the mega-hit Burlesque with Cher and Christina Aguilera. Rachele is also a spokesperson for many popular fitness brands. She is going to show you how anyone with a dream can make it come true.

BONUS #2: Liana Werner Gray presents "Eating for Life"

Liana Werner Gray is the former Miss Earth Australia and author of the bestselling book, The Earth Diet. She is going to share a multitude of tips for living a healthy life and how to eat like a champion.

Wow! So, given that the *Instant Bullshit Money Stealing* system has only been in place mere weeks, two 'superstars' who nobody has ever heard of, were born and became successful overnight from attending a \$3000 weekend watching a fat-fake doctor blabber on about things he clearly has no idea to be teaching?

This deluded, brain-washed, ungrateful idiot, while her own mother was in attendance at a recent weekend for *Instant Bullshit Money Stealing* system coaching, told everyone how she cut off her own family because they don't believe in Not-a-Doctor Coldwell! The video is on YouTube and I'll convert and post on the blog further down. Her recent comments on Facebook make it sound like there's something definitely sexual going on between her and the porky bald idiot! But then again, Lenny has a history of flirting, using and dumping, gullible young beauties. The fact that he made her 'CEO' and 'COO' of an organisation with a handful (at best) of members, proves he must have done some of his usual 'hands on healing' on this one! Her mother must be so proud, I mean, heartbroken!

BONUS #3: Amy Chappell presents "The Ones Who Have to Go"

Amy Chappell is the CEO of the IBMS Master's Society and COO of Dr. Leonard Coldwell's personal organization. She is going to give a moving presentation on why you have to let the naysayers go from your life and the damage they are doing.

BONUS #4: Peter Wink presents "The Action Answer"

Peter Wink is the author of the books and audios *Negotiate Your Way to Riches*, *Buying Secrets Retailers Don't Want You to Know About*, *How to Stop Compromising and Start Living*, and countless other programs. He is also a Supreme Partner and Co-founder of the IBMS Master's Society and a self help author who has promoted programs for Nightingale-Conant and hundreds of other authors.

How is that for an information-packed day?

Pretty crap, actually, seeing as how you're asking! Please do name one shred of this that isn't on the internet for FREE already!

Remember. The "Wealthy Warrior's Survival Training Camp" is not find this information in any of my books, CDs, or DVDs. I've spent thousands of dollars doing the research, as well as countless hours preparing the materials that you will learn for pretty much nothing.

In fact, you can attend the entire "Wealthy Warrior's Survival Training Camp" for only \$199! (IBMS Master's Society members can attend at no charge. See the PS at the end of this email for more details.)

That's right!

YEAH! Sign up for \$499 instead of paying just \$199, so you can go for ‘free’! You’d have to be an idiot not to! Oh, wait...no, you’d have to be an idiot to pay anything or even attend in the first place, when you could spend or save the money for something worthwhile instead, like paying bills, enjoying a day with your family, or any number of things that are in the real world!
